## SAMIL SHARING THE NATURAL BEAUTY AND SOUL OF AFRICA

Samil Natural Fibres is a South African Company that specializes in the production and processing of natural fibres, as well as speciality spun yarns.

We are committed not only to the sustainability of our product, but also to our local community. We strive to benefit and empower everyone involved in the South African textile industry through skills development, forging partnerships and sharing market knowledge.

Our expertise in luxury animal fibres is unrivaled as we bring knowledge from farm to store providing sustainable, affordable and superior natural yarns globally.

Inspired by the unique landscapes, beauty and soul of Africa, we work with designers to create a directional and trend led stock service collection continually exploring new ideas, updating our colours and creating innovative and exciting blends.

Our colour cards are a selection of what we do, but we are happy to develop to your own individual yarn needs and unique colours with low minimums.
