# SAMIL

## SAMIL SHARING THE NATURAL BEAUTY AND SOUL OF AFRICA

Samil Natural Fibres is a South African company specializing in the production and processing of Mohair. Drawing inspiration from the unique landscapes, beauty, and spirit of Africa, we are a niche Mohair yarn spinner, offering a range of mohair blends with both natural and man-made fibres.

We are committed to sustainability, not only in our products but also in supporting our local community. Our mission is to empower and uplift all those involved in the South African Mohair industry through skills development, forging partnerships and sharing valuable market insights.

Please contact us to know more about what Samil can do for you at
